Revised: Elias Brothers Group Painting and Contracting Announces Geographic Expansion and Expanded Services

NAPLES, Fla., Sept. 25 /PRNewswire/ -- The following is an updated version of the press release issued by Elias Brothers Group Painting and Contracting, Inc. on Wednesday, September 24. Please disregard the original transmission and refer to the following for updated information.

Elias Brothers Group Painting and Contracting, Inc., one of the premier providers of painting, waterproofing and restoration services in Southwest Florida, has successfully completed a full restoration project in Fort Myers, Florida.

Elias Brothers Group has expanded its geographic reach into Fort Myers, Sarasota, and surrounding areas with added services in restoration and renovation collaborating with local engineering firms in most of its projects. The recently completed restoration project in Fort Myers, one of many currently underway in Lee & Collier counties consisted of extensive cement and structural repair, cement installation, waterproofing, membrane systems and painting. The company is confident in its ability to deliver quality restoration services and to meet or exceed all industry standards.

Elias Brothers Group has been able to stay ahead in difficult economic times by executing a strategic plan to diversify and expand its services. Elias Brothers Group's philosophy of innovative thinking has allowed it to satisfy its customers' current needs while broadening its scope to fulfill the needs of new customers. Elias Brothers Group takes pride in building and maintaining long term customer relationships.

From its humble beginnings as a small, family-owned painting business, Elias Brothers Group has evolved into one of the most successful and well-respected contractors in Southwest Florida. The company has been involved in painting, contracting and new construction since 1989. The Elias Brothers and everyone at Elias Brothers Group are thrilled to be celebrating the company's 20th anniversary.

Elias Brothers Group is actively hiring the best talent to successfully grow their organization to become the contractor of choice in Florida. The company currently employs over eighty skilled individuals and professionals in the area. For more information about the company and its' continued success visit, www.elias-brothers.com.
